

# “This Generation” Prompting Funnel

What can you try?  
What do you know?  
What can you figure out?  
How can you check?  
Wow! How did you do that?

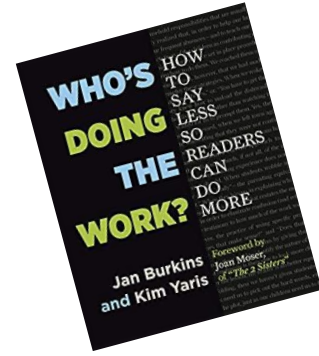

Sound it out.  
Look at every letter.  
Blend all the sounds together.  
Read all the way through the word.

What would make sense?  
What would sound right?  
Look at the picture.  
Use meaning to check.
